Home Support and so much more...

DevonHomelink

helping you live life to the full

Our aim is to help people live independently in their own home by offering a variety of services ranging from an alarm offering 24/7 reassurance to a regular visiting service to a simple keysafe fitted on a property for access.

Better still, our charges for Home Support start from as little as £5.00 (+VAT) per week. As a registered charity we aim to make sure that all the money we receive is re-invested into the service to help ensure we deliver true value for money. Many of our customers do not need to pay VAT for health reasons.
