

Complaints and compliments

We want to hear from you on how we're doing;
this leaflet explains how to give us feedback.

Making a Complaint

When things go wrong

We know that sometimes things can go wrong and customers can be unhappy with a service from us and wish to make a complaint. Our complaints process focuses on resolving the issue as quickly as possible.

What is a complaint?

A complaint is defined as an expression of dissatisfaction, about the standard of service, actions or lack of action by the organisation, its staff, or those acting on its behalf, where it affects an individual customer or group of customers.

In other words, in your opinion:

- We have done something badly or
- We have failed to do something we should have done

A complaint is not:

- An initial request for service
- The initial report of a fault, defect or repair
- A query about a policy
- A request for information

When would you not accept my complaint?

We would not normally take a complaint in any of the following instances:

- the incident complained about happened a year or more ago
- the matter has already been considered by the complaints process
- in cases where legal proceedings are taking place, as a full investigation will be carried out through those proceedings instead.

What if I have a complaint about my neighbour?

The complaints process deals with complaints about us and our services, so a complaint about your neighbour would not be dealt with through this process. If you have a complaint about your neighbour please call our Customer Care Team on 01271 312500.

I'm not a customer of NDH, can I make a complaint?
